NOTES: Jazz Up My Mettalic is a fancy 2 year old with a huge future. She has 6 months of training and the last 2 with Jim Spence of Yamhill, OR. Proving herself extremely confident on cattle, quick footed and has a big stop, this one is destined to be a star in the show pen. Or take her to roping, in the footsteps of her sire. On top of all of that, she is very sweet and not hard on the eyes either.

By HESA METALLIC CAT (2019). His first foals are 3-year-olds of 2026. Son of **METALLIC CAT**, \$637,711: NCHA Horse of the Year, NCHA Open Futurity Champion. Catalog Produced by Parnell Dickinson, Inc. and the QData Catalog Builder™

Catalog information herein contained has been compiled by QData's automated QData Catalog Builder system and Parnell Dickinson, Inc. (the Sale Company) from information furnished by, but not limited to, the following: the QData Database, the American Quarter Horse Association, the American Paint Horse Association, the National Cutting Horse Association, American Cutting Horse Association, National Reining Horse Association, National Reined Cowhorse Association, National Stock Horse Association, National Snaffle Bit Association, Palomino Horse Breeders of America, Appaloosa Horse Club and other organizations; foreign breed & event associations and the Jockey Club Information System, as well as published public show results. Some dollar figures may be approximate. With the multiple processing of complex data and reliance upon information acquired from multiple sources, errors and omissions can and do occur despite reasonable commercial efforts to avoid them. The QData Database is not an official outlet for any organization, but merely compiles the information into one resource. Please note that the seller is sole guarantor of all such information. QData, Sales Management and/or the above listed associations will not be held responsible for errors, but would appreciate their being called to its attention ***upon immediate receipt of catalog***, and may be contacted at Parnell Dickinson, Inc., jake@parnelldickinson.com.

DOUBLE REGISTERED HORSES: Neither QData nor Sale Company has any way of knowing when a horse has been double-registered in two breed registries. Although considerable effort is made to determine this, neither QData nor the Sale Company will be held responsible for the knowledge or inclusion of this information.

RECENT SHOW RESULTS:

In an effort to produce pedigrees as current as is possible, QData may obtain show results and earnings from preliminary results, which may not be official at time of catalog printing. Therefore, **those placings and earnings could change**, once show results have been finalized by the show management &/or association.

**MULTIPLE EMBRYOS**

Since the American Quarter Horse Association (AQHA) rule change allowing more than one foal (multiples) to be registered out of a mare in the same year, it is not possible for the AQHA, the Sale Management Company and/or the Sale Catalog Company to know how many live foals a mare has produced each year. PLEASE NOTE: the fact that a foal is an embryo transfer does not necessarily mean it is one of multiple foals. The fact that a foal was born naturally out of a mare does not necessarily mean it is a single foal. Neither Sale Management nor the Sale Catalog Company will be held responsible for providing information as to multiple embryos (foals of the same year) and/or embryo transfers out of mares or dams in sale. Nor will either be held liable in any way for buyer's belated awareness of such information. Embryo Transfer status of sale entries may be, but is not required to be, announced at the sale.

REPOSITORY OF RADIOGRAPHS

Radiographs have been recommended for all sale entries. Radiographs will be maintained on the Asteris Repository and be available for viewing by any licensed veterinarian (veterinarian logon can be obtained through sale management or Asteris). The radiographs may be viewed at the Horse Sale Office or online via computer, smart phone or tablet. Buyer shall be assumed to have knowledge of any fault, defect or condition that a reasonable inspection of the horse, or the radiographs on repository, should reveal. Buyer is responsible for inspecting horse and for viewing any radiographs before bidding. With respect to the repository a) Maintenance of repository shall not alter the Terms and Conditions, which shall be binding on all parties; b) Sale Management (RSBF, Pegasus Sales and Parnell Dickinson, Inc.) will NOT review and shall not be responsible for the radiographs on repository and makes no warranty, whatsoever, regarding the completeness or accuracy thereof; c) Knowledge of information in the repository shall not be imputed to Sale Management; d) Consignor shall be solely responsible for all of the information placed in the repository; and e) Submitted radiographs become the property of Parnell Dickinson, Inc. and will not be available for viewing after the horse is sold.

INSURANCE

Markel Insurance Company is the Official Insurance Company of the Reno Snaffle Bit Futurity.

Markel Insurance Company will be providing full of the hammer coverage for all horses purchased at the Reno Snaffle Bit Futurity Horse Sales. Mortality coverage will be provided for the horse's purchase price once the hammer drops and coverage will cease 24 hours after the start of each sale. You will be able to continue coverage by applying online at www.horseinsurance.com or visiting with a Markel representative attending the sale.

NEVADA SALES TAX

Nevada Sales Tax of 8.625% will be charged and added to the purchase price of all horses purchased except those with documented exemption claims.

In order to qualify for exemption from Nevada Sales Tax the buyer must sign a resale certificate and must also present to the auctioneer a copy of a sales tax permit or resale permit issued by the Nevada Department of Taxation (NDT) or their home state. This documentation is required to be copied and retained by the Sale Management, and must be valid as of the date of purchase. If the buyer's home state exempts the sale of horses from sales tax, then the buyer may qualify for exemption by completing an affidavit that the purchase is being made for resale in the normal course of business in their home state, and that their home state does not tax the sales of horses. To qualify for exemption at the time of settlement, this documentation must be presented before buyer settlement.

If specified documentation is not presented to Sale Management before settlement of the Horse Sale, sales tax will be charged and must be paid. If valid documentation is received at the Sale Management office no later than September 30, 2026, the buyer will qualify for consideration of exemption from Nevada Sales Tax and Sale Management will issue a check for a refund of taxes paid.

TERMS & CONDITIONS

1. The 2026 Reno Snaffle Bit Futurity Sales (the "Sales") are held in conjunction with the Reno Snaffle Bit Futurity Show. The Reno Snaffle Bit Futurity (RSBF), its Committees, employees and representatives as well as Parnell Dickinson, Inc. (PDI) its employees and representatives, hereinafter referred to, collectively and individually, as "Sale Management" are not responsible for any liability whatsoever, including, but not limited to, the loss, damage, injury, death or illness of any animal, person, or property before, during or after the sales.
2. Sale Management shall not be bound by any oral or written agreement or alleged agreement between the Buyer and the Consignor that contradicts these Terms and Conditions, unless agreed to by the Sale Management. Any disagreement or claim between the Buyer and the Consignor arising under any such agreement shall be a matter for their resolution.
3. All horses consigned to the Sales are offered in accordance with the laws of the State of Nevada. All transactions between Buyer, Consignor, and Sale Management are governed by the laws of the State of Nevada.
4. **THE BUYER HAS THE RESPONSIBILITY TO EXAMINE HORSES BEFORE BIDDING.** Horses entered in the Reno Snaffle Bit Futurity Sales will be available for inspection. Bidders are encouraged to have a veterinarian perform a pre-purchase examination on any horse they may consider buying. Prospective buyers are hereby cautioned and advised by Sale Management to examine horses thoroughly prior to purchasing. Each horse offered for sale is offered and sold "As Is and With All Defects". There are no representations or warranties, expressed or implied, of any kind concerning the merchantability, soundness, physical condition, health, disposition, or fitness for any particular purpose of any horse sold in the sales. Except in the case where the consignor, or consignor's representative, makes a specific guarantee. In such cases, the guarantee is strictly by the consignor, or consignor's representative, and not by Sale Management. **RIGHT OF RECOURSE, IF ANY, MUST BE DIRECTLY TO THE CONSIGNOR AND NOT THROUGH SALE MANAGEMENT.** Sale Management is not responsible for a buyer or consignor misunderstanding. A recording will be made of the entire auction, which may be used to help settle disputes regarding statements made about the horses while being offered for sale. The question of "guarantees made by the consignor from the auction block" shall be settled strictly between the buyer and consignor. Sale Management is not responsible for the guarantees or warranties of the Consignor.
5. Consignors are hereby bound by the consignment contract completed upon nomination of sale entry, as well as these Terms and Conditions. In the event of any legal dispute between the buyer and the consignor, Sale Management will not act as agents for, or represent the buyer or the consignor. Sale Management merely provides a medium for bringing together the consignor and the buyer for the purpose of a sales transaction. Sale Management assumes no liability on behalf of the buyer and no liability on behalf of the consignor.
6. The person making the highest bid recognized by the auctioneer shall be the buyer. If a dispute should arise between or among two or more bidders, the auctioneer shall settle the dispute, and the decision shall be absolute, final, and binding on all parties. Any successful bidder shall sign an Acknowledgement of Purchase, which shall be presented by an auction clerk immediately after the purchase has been made. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall immediately identify himself/herself to the auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs the Acknowledgement of Purchase, such action shall not give such other person any right or title. Immediately upon such erroneous signing of the Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgment of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Terms and Conditions, or in the event of a mistake by the Auctioneer, Sale Management reserves the option to re-sell the animal and such resale shall terminate all obligations of Sale Management and Consignor to honor any previous bid. Sale Management and/or the auctioneer reserve the right to reject any and all bids.

7. The right to repurchase or pass-out (P.O.) an entry is reserved by the consignor, or consignor's representative. Any such action must be made prior to the auctioneer announcing that the entry has "sold." Sale Management is not responsible for the integrity of any specific bid and the consignor, or consignor's representative, understands and assumes all responsibilities for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold Sale Management responsible.
8. Title to and risk of loss passes to the buyer when the animal is announced as "sold" by the auctioneer. Title and all risks are assumed by the buyer whether or not "delivery" has been made. Horses are at the buyer's expense and risk and responsibility from the time of purchase, but no delivery will be made until final settlement has been made. Delivery of a horse shall be contingent upon the buyer making a full settlement to the sale cashier. After a satisfactory settlement is made, delivery will be in the form of a "release" for the horse from the auction grounds. After delivery is made, buyer shall remove the horse within the specified time announced, and shall be subject to any charges associated with the purchase should he/she fail to do so. Buyer is responsible for the care of the horse immediately after purchase.
9. Terms of the sale are CASH and payment in full must be paid directly to the sale cashier during or immediately after each Sale Session. All payments shall be in U.S. Currency and drawn from U.S. Banks only. Payment shall be in the form of cash, cashier's checks, personal checks (with proper bank letter of guarantee or introduction and picture identification, such as driver's license), traveler's checks or designated credit cards. The following credit cards will be accepted: Master Card, Visa, Discover, & American Express. A valid driver's license or another form of positive identification is required for personal checks. Bank Drafts and temporary checks will NOT be accepted. Any party issuing a check returned as "non-sufficient funds", "payment stopped", "account closed" or a check that for any reason does not clear payer's bank, will be sent to the County District Attorney's office for collection and prosecution to the fullest extent of the law. A fee of \$50.00 will be charged on any check that is returned. Payment must be made to the cashier in all cases. Payment to any other source is prohibited and is not recognized as settlement. In no case shall the Buyer pay any part of the purchase price directly to the consignor, as such payment shall not be valid or entitle the buyer to obtain the horse. Foreign Buyers must pay with a check drawn on a U.S. Bank, U.S. Currency or International Money Order or Wire Transfer denominated in U.S. Currency. Buyer agrees not to stop payment on check for any reason.
10. **IF ANY PERSON SHALL PURCHASE A HORSE AND NOT PAY FOR IT AS PRESCRIBED ABOVE**, Sale Management or Consignor shall have the right to resell the horse, or at their option, bring legal action in which event buyer agrees to pay all cost of such suit together with reasonable attorney fees as fixed by the court. In the event of resale the defaulting buyer agrees to pay all costs of resale and price deficiency, if any. Interest of 1.5% per month will be charged on the unpaid balance of any account not paid for as set forth in these terms and conditions.
11. **ABSENTEE BIDDERS** must make arrangements with Sale Management prior to the auction. Funds in the amount of the anticipated high bid must be received by cashier's check made to Parnell Dickinson, Inc. or bank wire transfer to Parnell Dickinson, Inc. before bids may be placed on a horse. Credit cards will not be accepted for absentee bids unless prior arrangements have been made.
12. A 5% Buyer's Premium will be added to all purchases. The Buyer's Premium will be ENTIRELY DISCOUNTED for the portion of purchases paid for by cash, cashier's check, or personal check.
